

To Whom It May Concern,

I am writing on behalf of Energy Therapist Michelle Bastian from Chakra Now. Michelle kindly donated her time and talents on Monday evening, August 18 at *Girls Night Out for the Kids*, a critical fundraiser for the Chicago Children's Advocacy Center (CCAC). The CCAC provides hope and healing for Chicago's abused children and *Girls Night Out* is one of our biggest fundraisers of the year.

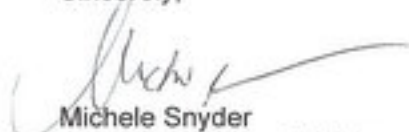

One of our auxiliary board members, Gayle Bisesi, also a local performance artist, highly recommended that we include Michelle and her work at this year's event.

Michelle set up an area in our *Energy Salon* focusing on Energy Therapy for Vibrational Healing. Michelle worked with each woman attendee on an individual basis by modulating frequencies and balancing chakras to facilitate breakthroughs in their physical, emotional, mental and spiritual well-being.

Over 400 women attended the event at Carnivale, and many of them were clamoring to meet with Michelle! She went above and beyond the call of duty to make sure that the women left with a positive lasting impression of their experience.

The feedback we received on her sessions was very positive and the CCAC is extremely appreciative for Michelle's donation of her time and services, as well as the positive attitude and energy she brought to this event!

Sincerely,

Michele Snyder
Director of External Affairs
